13	Saturday	Summer holidays commence
----	----------	--------------------------

Dear Students, Parents/Carers & Staff,

Parent / Teacher Interviews

Thank you those parents who met with me last term to discuss their child's progress. Please feel free to make an appointment at any time of the year if you wish to discuss your child's progress.

Volunteer Training & Reading Workshop

Thank you to those parents who participated in the Volunteer Training and Reading Workshop held this morning. I hope that you found it useful. A special thanks to Debbie Giles our ST:LaN for facilitating the Reading Workshop.

ANZAC Day Dawn Service

Mutarnee will be participating in the Balgal Beach Dawn Service. It begins at 5:40am. Please assemble by 5:30am. Rollingstone SS have also kindly offered to allow students from Mutarnee to march with them in the daytime parade. It begins at 10:00am so please assemble at 9:30am. All students are required to be in full school uniform.

Mother's Day Raffle

The P&C are holding a Mother's Day raffle and are asking for family donations to the hamper. If each family could donate one or two things to build up a lovely prize hamper it would be greatly appreciated. These donations are required by Friday 2nd of May. They can be given to the office. Tickets will be sent home with this newsletter and will be \$1 ticket. All sold and unsold tickets need to be returned to the school with the money by Thursday 8th May, 2014.

Romanello Shield - Sunday 18th May

A number of small schools have decided to join forces to create Romanello Shield teams. Due to the short time frame for Romanello Shield there will be trials / training for any interested students on Friday 2nd May and Friday 16th May at Trebonne SS from 1:00pm to 2:30pm. If your child would like to participate you would have to make private arrangements to get them to/from Trebonne. I would also need to know by Monday if this is the case so that I can notify the supervising teachers from other schools.

Waterview Soccer

Originally the Waterview schools had planned to utilise a soccer expert to teach all of the students soccer skills leading up to the Romanello Shield. Unfortunately, the date was changed and is now before these dates. However, we are continuing with the skills development and will spend four Friday afternoons (May 23, 30 & June 6 & 13) working with Helens Hill SS, Toobanna SS & Bambaroo SS. To make it fair for travel, we will be rotating the venue each week so that each school gets an opportunity to host the event. This event will require private transport and permission slips will be sent home next week.

Student Reflections

Question: What is something new you have learned this week?

"In Science I learnt groups of numbers, colours and size." Elle (2).

"In English we looked at our assessment to show us what we need to learn." Rayshell (3)

"I learned about Christopher Columbus' journeys in History." Cody (3)

"In Science, I learned what the word 'matter' is." Corey (6)

Kind regards,

Lydia Jamieson

Principal
