28 th		Tuesday	Term 1 starts

Dear Parents & Students,

The *School Opinion Surveys* are undertaken each year by Education Queensland to obtain opinion information from parents/caregivers, students and school staff to help schools further understand how well they are progressing in meeting the needs of their community. The parent/caregiver and student surveys have provided schools and the department with opinion information on the school, student learning and student wellbeing.

Parents are requested to return the survey, being sent home today, to school no later than Friday the 26th of July. Students (Year 4 to 7) and staff will complete their survey online.

Mutarnee State School Newsletter 24th July, 2013.

First Aid

Monday the 21st October (term 4) is designated a Student Free Day. Each year Mutarnee State School hosts First Aid for those needing to complete, renew or upgrade their certificate. Anyone wishing to participate in the first aid program is asked to register by contacting the school and arrange payment prior to the 21st of October.

School Motto

Students, parents/carers and staff have an opportunity to nominate a school motto that best represents what we value and aspire for all students at Mutarnee State School. In the next few weeks we are asking the school community to nominate a motto for the school community to vote on.

Earth Smarties Biochar Presentation

Our two Year 5 students, Corey Crabb and Jesse Barry, will represent Mutarnee State School as part of Science Week Celebrations at the Earth Smarties Biochar presentations on the 7th of August. The event will be held at Tyto Conference Centre from 8:30am to 2:30pm and will involve a field trip to sugar cane farms near Ingham.

Go Kart Fun
